\* = Response is required

## RIP3 Reflection

### 1. R: Remember

\* Describe what you did.

### 2. I: Identify the Important Part

\* What was important to you about this learning experience?

### 3. P: Put It Together

\* What does this remind you of? What kind of connection can you make between this learning experience and something else you know?

### 4. P: Pick it Apart

\* What are the things you have learned from this experience? What do you now know?

### 5. P: Plan to Use

\* How will you use what you learned from this experience in the future?
